PDShiny

Launch PDShiny Interface

Description

PDShiny() loads interactive user interface built using R shiny.

Usage

```
PDShiny()
```

Details

Start PDShiny

The interactive user interface is to provide an easy way for people who are learning Probability Distributions. Includes example data for testing out a few example analysis.

Value

Nothing

Examples

```
## Not run:  
library(shiny)  
PDShiny()  
  
## End(Not run)
```
